### **Louisiana Parental Notice for One time Consent to Allow the School District to Access Louisiana Medicaid Benefits**

Your school district, the Local Education Agency (LEA) of Livingston Parish Public Schools (LPPS), is seeking your permission (also known as consent) to share information about your child with the LDH Medicaid program. Louisiana (LA) schools have been approved to receive partial reimbursement from LA Medicaid for the cost of certain health-related services provided by the district to your child. For this process to proceed in reimbursement of funds spent on services, the LEA will share with LA Medicaid the following types of information about your child: name; date of birth; gender; type of services provided, when and by whom; diagnosis (if any), and LA Medicaid ID. If your child is eligible to receive services to meet his/her needs, the services may be provided by the school system and/or you may take your child to another provider that accepts Medicaid. With your permission/consent, the LEA will be able to seek reimbursement of funding for services provided by LA Medicaid including, among others, hearing or vision screenings/exam; occupational, speech, and/or physical therapy services; school nursing and/or personal care services; counseling and/or behavioral health services, and if applicable special transportation services. Your signature of permission is only needed this one time. An annual notification regarding this decision will be provided to you by the LEA. If you give permission, you have the right to change your mind and withdraw your permission at any time. If you withdraw your permission or refuse permission for the LEA to share your child's records and information with LA Medicaid for the purpose of seeking reimbursement for the cost of services, the LEA will continue to be responsible for providing your child with the services, at no cost to you.

The LEA cannot:

- 1- Require you to sign up for LA Medicaid in order for your child to receive any health related and/or special education services to which your child is entitled.
- 2- Require you to pay anything towards the cost of your child's health-related and/or special education services.
- 3- Share information about your child with LA Medicaid without your permission.

Your permission will not:

- 1- Affect your child's available lifetime coverage, affect other LA Medicaid rights, or lose eligibility for other Medicaid funded programs.
- 2- Any way limit your own family's use of LA Medicaid benefits outside of school.
- 3- Affect your child's special education services or IEP rights in any way, if your child is eligible to receive them.

I have read the notice and understand it with any questions I had being answered. I understand that this will help my child's school seek partial reimbursement for Louisiana Medicaid covered services.

**CONSENT (Please choose only ONE choice):**

\_\_\_\_ I hereby **authorize** LPPS to disclose necessary information to LA Medicaid in order to seek reimbursement for the covered health and/or special education services provided to my child OR

\_\_\_\_ I **refuse** permission at this time OR my child *is not enrolled* in the Medicaid program.

**Aviso a los padres para el consentimiento único que permita que el distrito escolar acceda a los beneficios de Medicaid de Louisiana (LA)**

Su distrito escolar, la agencia de educación local (LEA, por sus siglas en inglés) de las escuelas públicas de la parroquia de Livingston (LPPS, por sus siglas en inglés), está buscando su permiso (también conocido como consentimiento) para compartir información sobre su hijo(a) con el programa LDH Medicaid. Las escuelas de Louisiana (LA) han sido aprobadas para recibir un reembolso parcial de Medicaid de LA por el costo de ciertos servicios relacionados con la salud proporcionados por el distrito a su hijo(a). Para que este proceso proceda al reembolso de los fondos gastados en servicios, la LEA compartirá con Medicaid de LA los siguientes tipos de información sobre su hijo(a): nombre; fecha de nacimiento; género; tipo de servicios prestados, cuándo y por quién; diagnóstico (si corresponde) y la identificación de Medicaid de LA. Si su hijo(a) es elegible para recibir servicios que satisfagan sus necesidades, los servicios pueden ser proporcionados por el sistema escolar y/o usted puede llevar a su hijo(a) a otro proveedor que acepte Medicaid. Con su permiso/consentimiento, la LEA podrá solicitar el reembolso de los fondos para los servicios proporcionados por Medicaid de LA, incluidos, entre otros, exámenes/evaluaciones de la vista o la audición; servicios de terapia ocupacional, del habla y/o física; enfermería escolar y/o servicios de cuidado personal; asesoramiento y/o servicios de salud del comportamiento y, si corresponde, servicios especiales de transporte. Su firma de permiso solo es necesaria esta vez. LEA le proporcionará una notificación anual con respecto a esta decisión. Si da permiso, tiene derecho a cambiar de opinión y retirar su permiso en cualquier momento. Si retira su permiso o rechaza el permiso para que la LEA comparta los registros y la información de su hijo(a) con Medicaid de LA con el fin de solicitar el reembolso del costo de los servicios, la LEA seguirá siendo responsable de brindarle los servicios a su hijo(a), sin costo alguno para usted.

La LEA no puede:

- 1- Exigirle que se inscriba en Medicaid de LA para que su hijo(a) reciba los servicios relacionados con la salud y/o educación especial a los que tiene derecho.
- 2- Exigirle que pague cualquier parte del costo de los servicios de educación especial y/o relacionados con la salud de su hijo(a).
- 3- Compartir información sobre su hijo(a) con Medicaid de LA sin su permiso.

Su permiso no:

- 1- Afecta la cobertura de por vida disponible de su hijo(a), ni otros derechos de Medicaid de LA o perder la elegibilidad para otros programas financiados por Medicaid.
- 2- Limita de ninguna manera el uso de los beneficios de Medicaid de LA por parte de su propia familia fuera de la escuela.
- 3- Afecta los servicios de educación especial o los derechos del IEP de su hijo(a) de alguna manera, si su hijo(a) es elegible para recibirlos.

He leído el aviso y lo he entendido con cualquier pregunta que ha sido respondida. Entiendo que esto ayudará a la escuela de mi hijo(a) a obtener un reembolso parcial de los gastos cubiertos por el Medicaid de Louisiana

**CONSENTIMIENTO (Por favor elija solo UNA opción):**

\_\_\_\_\_ Por la presente, **autorizo** a LPPS a divulgar la información necesaria a Medicaid de LA para solicitar el reembolso de los servicios cubiertos de salud y/o educación especial proporcionados a mi hijo(a) O
